

Piano Appraisal Worksheet

Print out these questions and answer as many as possible with as much as you know. The more information I have, the more I can tell you.

1. What is the Name Brand on the Piano?
2. How old is the piano? What is the serial number?
3. What is the size of the piano? (height of your upright, length of your grand)
4. Where has the piano been stored? Living Room? Basement? Garage? Do you know any of its history?
5. When was it last tuned or serviced? Do you have the receipt?
6. How does it sound, in your opinion?
7. Has the piano had any major work done on it? When? By Whom?
8. Do all the keys work? If no, explain.
9. Describe the furniture/case of the piano: Style, Color, condition, carvings, ornate designs, scratches, water marks, peeling veneer or paint:
10. Are there stairs or obstacles involved to move the piano out of the seller's house? How many? Twists, turns, landings, steep terrain, rock walkways? Please Describe:
11. Do you know how much the piano sold for brand new?
12. Do you have any receipts from tuners or work performed in the past?
13. Please attach any photos you may have.
